

Confirmation Name Selection: How to Choose a Confirmation Name

We ask that you prayerfully take some time in deciding on your Confirmation name. In selecting a name, take time to research Saints of the church. Consider choosing a Saint's name whose virtues you would like to mirror in your life.

A few considerations would be to please choose an appropriate name (for example, "Bubba" would not be appropriate); moreover, you may use your given name. Resources on Saints are available in the St. Pius Library or visit the website www.catholic.org/saints/.

Once you have chosen a Confirmation name, please write two paragraphs on the reason why you have chosen that particular saint.

The first paragraph should be biographical about the saint and the second paragraph should be what made a lasting impression on you to take that particular patron saint for your example of living a Christian life. Each paragraph needs to be at least 6 sentences long.

You can email me your paper at ahyre@spxparish.org
