***The Athletic Committee representative is responsible for overseeing the opening and/or closing of the gym and concession stand. Please report one hour before the first game to get everything set up (especially the Concession stand) and expect to work a half hour after the last game for proper clean-up.

**Coaches of the SPX team are responsible for supplying one parent to work the Concession stand and take Admissions during their game. Names have been pre-listed for your convenience. Please see that your volunteer reports 15 minutes before game time and be prepared to work 15 minutes after the game is over. If you are the FIRST game of the day, the volunteer must arrive 30 minutes before game time. If you are the LAST game of the day, you may expect clean-up to last for up to 30 minutes after the conclusion of the game. It is suggested that if any parent is unable to work the day already assigned, they should take it upon themselves to switch with another parent.

**Additionally, the SPX team of the first game of the day is expected to supply volunteers to get the gym ready for the day. The SPX team of the last game of the day is expected to clean and close the gym. Coaches will be held responsible to assist the Athletic Committee Representative of the day in the completion of these duties.
