- "Reading music" is not a requirement to sing in the Sunday ensembles, but rather a good sense of pitch and a willingness to learn with the choir. Some reading skill would be helpful for handbell choir.
- Middle school students and high school students are always welcome. Service hours are available.
- Choirs generally rehearse each week, and sing each Sunday. The handbell choir is scheduled to play at Mass (Mass times will vary) once per month.
- Attendance: A great choir sings together! We all do, however, have busy schedules in and outside of church, so no one choir singer has yet to claim perfect attendance at rehearsal or Sunday Mass.
- Other functions of the archdiocese and our local chapter of the National Pastoral Musicians offer other opportunities to showcase our music ministry, or to join other musicians for support and prayer through music.
- Contact Kathy Muller, Director of Music for more information. kmuller@spxparish.org; 466-3358

Please return to Kathy Muller after any Mass, (at the piano) or to the parish office.
