

My Dear St. Pius X Community,

Let us give thanks for our St. Pius X parish community! As we reflect on our wonderful parish and the abundant gifts and talents we have in our community, let us be grateful for all the gifts God has provided. We are all asked to tend to those gifts, share them generously and to gratefully return them to God.

Your past financial support has been crucial to the work of our parish. Now, as we begin this year's parish **Annual Intention Campaign** and UCA, we hope we can count on you again. Please prayerfully consider increasing your annual pledge. Your increased support will allow us to continue to sustain and grow our ministries, extend our reach, and share God's love with even more people.

I would like to personally thank you for the gifts you share with St. Pius X Catholic Church community. Your continued involvement and financial donations have definitely helped us sustain our community and build our progress to "**Restore All Things In Christ**". A parish is called to be the hands and feet of Jesus. Therefore, there is no end to the good work St. Pius can do when everyone is generous with their resources.

As part of our parish journey we are entering a period of renewal. I am asking our parish community to pray, plan and consider their financial commitment to the parish. God has blessed us in so many marvelous ways. It is in gratitude to God that we return a portion of the blessings we've been given. If you have the means to increase your annual giving amount in anyway, that would be appreciated. If you have received a new school choice voucher this year, consider an increase in proportion. I am grateful by whatever gift you decide is appropriate.

I ask on behalf of our parish if you would prayerfully consider the following with respect to your financial support of our parish:

- *Does my current level of giving reflect my gratitude to God at this time.*
- *In the last year, has God given me any increased financial blessings I can share?*
- *Do I long for more joy and satisfaction from the way I use and invest my treasure?*

You should receive your intention cards in the mail the week of October 16th. Once you have made your decision, please fill out and return your commitment card regardless of whether you are changing your level of giving. By returning the card, you also show your ongoing commitment to be a part of the mission of this parish and active parishioner. You may return it to St. Pius X as soon as possible (via mail, collection basket or dropping it by the parish office). You may also bring it to **Intention Weekend which will be November 4-5.** You are welcome to make your contributions electronically using our Online Giving. Visit our parish website www.spxparish.org and select the "Online Giving" link to get started. If you are already using Online Giving, please remember to update your contribution amount to reflect your new commitment.

Thank you again for your continued donations and for helping to make St. Pius X Catholic Church a place where Faith, Hope and Hospitality flourish. May the Lord Jesus continue to bless you and keep you close to His heart.

**See you at Mass,
Fr. Francis**
