

St. Pius X Catholic School
Educational Activity Parent Permission Form
2018-2019 School Year

Throughout the year, our students are provided an opportunity to extend their learning beyond the classroom. An educational activity facilitates the attainment of a specific educational objective and represents the goals and objectives of our curriculum. These activities require the students to travel from the school building to a place in the community.

In an effort to streamline the process, we are asking parents to sign one educational activity form at the beginning of the school year for all activities planned for the school year. Your child's teacher will provide timely written information for each activity.

We will be using Safe Passage Transportation Service for most activities, while others may require private vehicles. Each passenger in a private vehicle will have a seat belt. All parent chaperones have completed a background check, and completed the "Safe and Sacred" training.

This signed permission slip must be returned to the student's teacher in order for them to leave the school building.
