Dear Parents,

We will again have milk available to those families who desire to purchase it for their children. We have available chocolate, 1% white, and skim milk. It can be purchased for the 2018-2019 school year for the total cost of \$9.00 per child (one carton of milk per day.) Our prices are in line with the pricing figures from Prairie Farms Dairy Company and the Federal Milk Program.

Please indicate your milk order below and return the form to school no later than Friday, August 31, 2018. Milk has been available to the students starting on Thursday, August 16, 2018.

Thank you,
Kathy Jorgenson
