

## **2018-2019 St. Pius X PTO**

Greetings! Parent involvement has always been a strong tradition at SPX. It fosters the strong community that both teachers and families appreciate and supports many of the “extras” that enhance our children’s Catholic education. To carry on this important tradition, we invite all parents to get involved to support the students and staff through the PTO!

The following PTO sponsored activities will take place next school year. Before each activity, there will be a SignUpGenius available for parents to sign up to volunteer their time and/or donate items. The names of the PTO chairs for each activity will be listed in the P&G before the end of the school year and in the 2018-19 school directory should you be interested in more information.
